

Annual Report of the Licensing and Enforcement Department

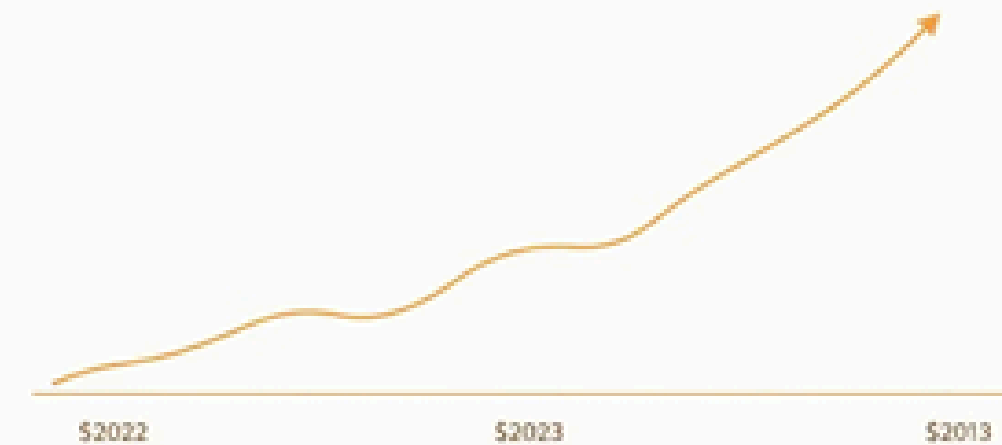

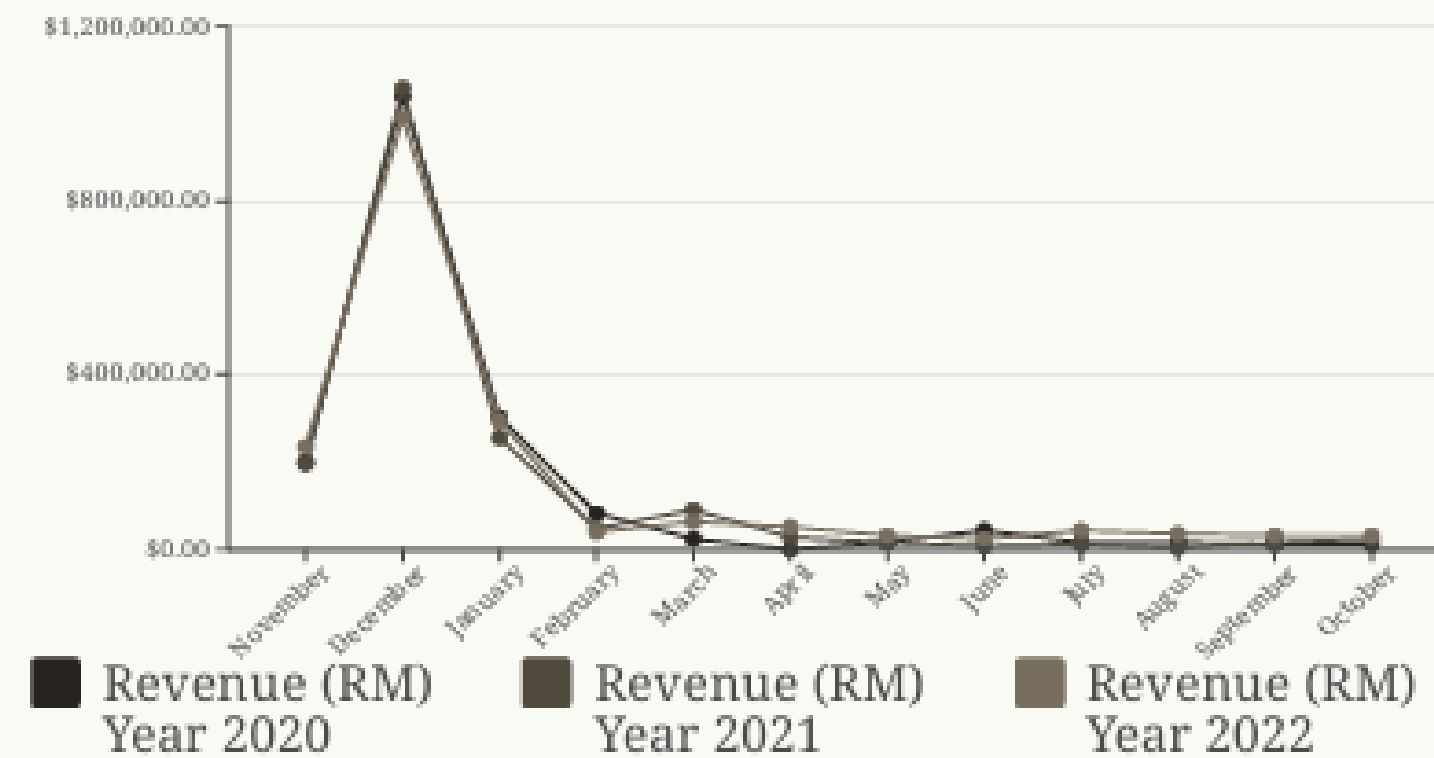

This presentation covers the annual report of the Licensing and Enforcement Department of the Tangkak District Council. We will examine the results of business licensing, integrated operations, and enforcement actions carried out throughout 2021 and 2022. Our aim is to ensure legal compliance and increase municipal revenue.

Business Licence Revenue Performance 2022

This chart shows the business licence revenue for the year 2022. The highest revenue was recorded in December at RM991,379.90, followed by January and November. February recorded the lowest revenue. Overall, the revenue performance shows significant monthly variation.

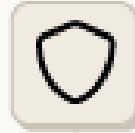

Comparison of Business Licence Revenue (2020-2022)

The comparison of business licence revenue from 2020 to 2022 shows an overall increase. The large total revenue in 2022 was RM1,883,253.35, up from RM1,764,614.35 in 2021 and RM1,779,596.85 in 2020. This indicates a positive trend in the collection of business licence revenue by the Tangkak District Council.

Integrated Operation in 2021

January - December

Covid-19 operations were carried out continuously throughout 2021 in Tangkak, Serom, and Bukit Gambir.

Departmental Cooperation

This operation involved the cooperation of various departments such as PKD, IPD, KPDN, JTK, and IMMIGRATION.

Focus Areas

The main focus was in the areas of Tangkak, Serom, and Bukit Gambir to ensure compliance with SOPs.

Throughout 2021, the Licensing and Enforcement Department of the Tangkak District Council has carried out consistent integrated operations. This operation, known as Ops Covid-19, involved close cooperation with various other enforcement agencies. The aim was to ensure compliance with standard operating procedures (SOPs) in the Tangkak, Serom, and Bukit Gambir areas.

Advertising Legislation Provisions

No Advertising Licence

Advertisements displayed without a valid licence from the local authorities are in violation of the law.

No Permit/Approval

The installation of advertisements requires official permit or approval. Without this, the advertisement is considered illegal.

Placement on Protocol Roads

The installation of advertisements on main or protocol roads is prohibited to maintain the aesthetics of the city.

Placement in Unauthorised Areas

There are certain areas where the installation of advertisements is not permitted for safety or aesthetic reasons.

The Advertising Licensing By-Laws (MDMU) 1981 outline the provisions for the installation of advertisements. Violations include no advertising licence, no permit/approval, placing advertisements on protocol roads, or in unauthorised areas. Compliance with these laws is important to ensure an orderly and safe environment.
